

SAMARITAN'S **HAND**, Inc.

FAITH BASED DRUG &
ALCOHOL OUTPATIENT CLINIC

Greetings, Jim here;

February was a big month for the ministry; we celebrated 8 years of bringing healing to the hurting in Sheboygan County in the name of Jesus, we had another very successful Agape Gala and we were nominated as non profit of the year by the Sheboygan County Chamber of Commerce. Oh yeah, we received recognition and congratulations of a US Congressman as well.

Agape Gala

Our 8th annual Agape Gala took place on February 14th at Pine Hills. The evening was both fun and touching. Two clients from the Sober House gave their testimonies, and new this year, we had the testimony from the parents of one of the clients. Addiction doesn't just affect the addict, there is usually a generation in front of and coming behind that addict that will pay the price. We are here to break that cycle

Sheboygan County Chamber Champions

For the first time Samaritans Hand was nominated as the Nonprofit of the Year by the Sheboygan County Chamber of Commerce. It was a huge honor just to be nominated and reflects that the impact we are having on our community is being recognized.

When I looked at the other nominees it struck me that we are all doing our best to make a positive impact on our community, so it felt weird to “compete” with them for an award. It is a good to know that we are all rowing in the same direction.

When you try to land a plane on an aircraft carrier there are a set of three cables that you need to catch with your tail hook. If you don't catch that third cable and don't have enough air speed to take off again, you are going over the side. A lot of the other organizations that were nominated for the award are first and second cable organizations. We were one of the few that was a “3rd cable” organization. For a lot of our clients we are the last chance. We are honored and humbled to be in that position.

Newsletter

So, this newsletter is coming to you in a different format than it has in the past. The board has decided to be in contact with our supporters on a more regular basis. We are all-in on this mission and we ask that you join us. To save expenses, our plan is to send out an electronic newsletter. We ask that you share this newsletter with others by forwarding the e-mail. Another way to keep in touch with the ministry is through Facebook. If you would like to be added to our e-mail list you can call the office at (920) 254-6922 or visit our website at www.samaritanshand.org and click on the Contact Us link.

Speaking of our website. Check back often as we will be having a new and improved website coming soon!

We can't do what we do without your prayer and financial support.

At the risk of repeating myself, the number of ways you can help us is the same as the number of Three Stooges:

1. Larry: send us your one time gifts, donate supplies or volunteer your time
2. Moe (always the most important Stooge): partner with us with a monthly pledge.
3. Curly: consider us in your church's mission budget
4. Schemp: if you can think of any club, company or organization that would be interested in our mission, we would love to talk to them.

If you are willing to make a contribution:
